Jackson Square. Part of Hamilton's New Age.

The New Standard Life Centre, brings to Jackson Square more stores, boutiques, cafes and restaurants. An awesome 14 storey garden atrium spirals down to a waterfall, an indoor skating rink, trees and fountains.

The New Standard Life Centre. In the heart of Hamilton's striking new downtown core. A tribute to this city's quantum leap into a new age.

Text Re McMaster Cover Picture For Panorama

McMaster University's distinctive tower campus landmark seen in our cover picture fittingly symbolizes the university's hundredth anniversary. Opened in 1930, when McMaster moved to Hamilton from Toronto, the present-day campus has grown far beyond even the expectations of its founders.

THE 8.9 BILLION DOLLAR MARKET

Exciting, dynamic, on the move is the best way to describe the Hamilton/Burlington market. With over a half a million in population, Hamilton is ranked the third largest market in Ontario with a per capita income 14% above the Canadian average.

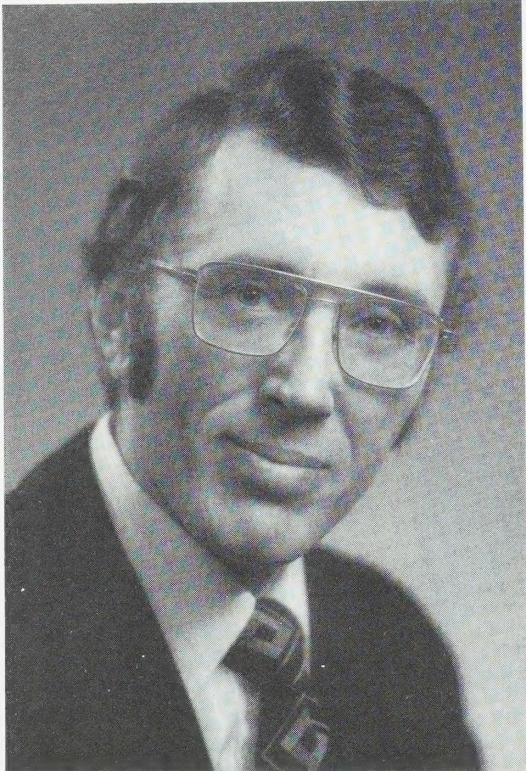

When it comes to delivering this market, no other media comes close to The Spectator's 74.4%* penetration reach of adults 18+. The Spectator is the paper of record. **Nobody covers the market like The Hamilton Spectator.**

TOMORROW**

WE ARE PART OF A GLOBAL ECONOMY WHICH IS BECOMING INCREASINGLY COMPETITIVE. OUR INDUSTRIES MAY WELL BE FACED WITH THE CHALLENGE OF FREE TRADE WITH THE U.S.A.

THE CHAMBER RECOGNIZES THESE NEEDS AND HAS FORMED A "PARTNERS IN EXCELLENCE" COMMITTEE WHICH IS IDENTIFYING THE SKILLS REQUIRED TO HELP MAKE OUR INDUSTRY COMPETITIVE WORLD-WIDE.

WE CAN COMPETE — LET'S PREPARE OURSELVES.

WE BRING THE ENERGY TO SOUTHWESTERN ONTARIO

If you are an industrialist putting out steel...
or a restaurateur presenting great cuisine...
or a homeowner enjoying the year 'round
comfort of natural gas, then you are typical of
the 535,000 residents of Southwestern Ontario
who have grown to rely on Union Gas.

Our professional sales representatives are continually updated on state-of-the-art energy applications and product uses. If you would like to learn more about natural gas, just give us a call. We do indeed have the energy... in our people and in our product.

Sheraton Hamilton
The hospitality people of **ITT**

IT'S GREAT TO BE PART OF IT.

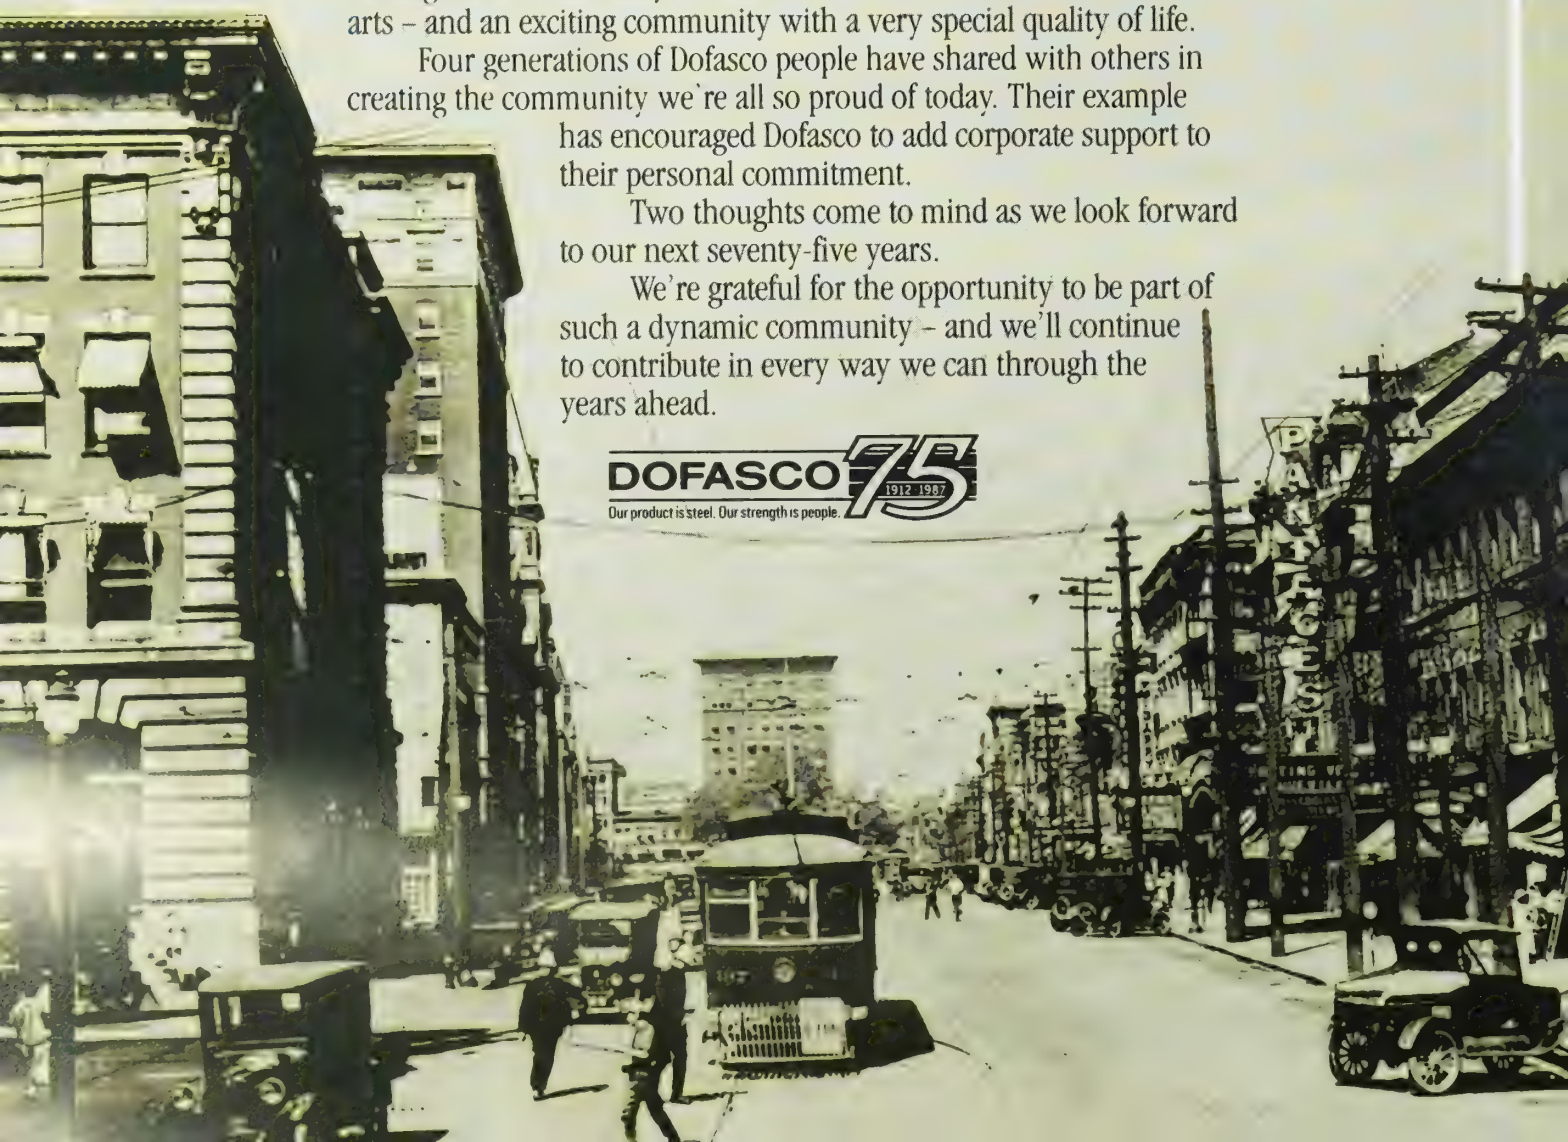

Seventy-five years have transformed a foundry with 150 people into a world-class steel mill, with almost 12,000.

Those years have also transformed Hamilton-Wentworth into a leading centre of industry, commerce, education, health care and the arts – and an exciting community with a very special quality of life.

Four generations of Dofasco people have shared with others in creating the community we're all so proud of today. Their example has encouraged Dofasco to add corporate support to their personal commitment.

Two thoughts come to mind as we look forward to our next seventy-five years.

We're grateful for the opportunity to be part of such a dynamic community – and we'll continue to contribute in every way we can through the years ahead.

Modern facilities equal
to any in the world.
An opportunity to continue and
improve television service to the
people of Southern Ontario.

MOMENTUM

First Comes Business and then...

Every possible convenience is made available to the business person requiring meeting rooms at the Royal Connaught for gatherings of 6 to 600 people. Our staff ensures that details like projection equipment, easels, and whatever other communications tools necessary to make a meeting a success are there when you say you want them there! Even a delightful sandwich tray can be sent into the meeting if discussions are running through lunch.

Once the business day is done — stay and play! Vinton's Bistro and Grill, our California-style restaurant located right in the hotel, will start your evening off right with fabulous fare that's a gourmets delight!

Then, go for a good laugh downstairs at Yuk Yuk's Komedy Kabaret and be comically entertained by some of North America's funniest acts.

Like to dance? Well, dance away with the fun crowd at Barrymores. You'll love the atmosphere and the people. There's always something crazy happening at Barrymores.

Things getting a little hot? Cool down and take a gigantic 124 foot, 2 storey slide right into our indoor pool; or, just relax in our sauna or whirlpool. And, if you still want more activity, carry-on in our games and exercise room.

When it's finally time to call it a day, stay in one of our 207 comfortable, well appointed guest rooms or suites. You'll find every convenience you'd expect . . . and a few you wouldn't!

The Jennings Difference

Yes, there really is a difference between insurance brokers. And the "Jennings Difference" is what has some of Hamilton's most well-known companies (and households) coming to us year after year. It has been that way since 1918.

To find out more about why we're different, call us and we'll send you our booklet. It's good reading for anyone interested in the peace of mind of knowing you have the best possible and most suitable insurance.

What's the best alternative?

Corporate insurance can be a major expense item. So it makes sense to take whatever steps necessary to keep property and casualty insurance expenses at a manageable level. One alternative is to ASK THIS MAN. He's Dan Lawrie,

an independent insurance broker. He can offer years of sound, professional experience in developing cost-efficient insurance programs for all segments of the business community.

When you're discussing corporate insurance, you should remember Dan Lawrie.

He's not the only alternative . . . but he could be the best.

No one comes out the same.

YMCA

The YMCA has a way of changing people's lives. And it doesn't seem to matter if you're young, old, or somewhere in between.

For example, with our fitness programs you might have a change in your body. Or because of our youth, family and volunteer programs, you might feel a change inside, about yourself and your relationship with others.

In any case, the Y affects different people in many ways. With all kinds of different programs and activities. Yet one thing doesn't seem to change. And that is, when you go into the YMCA, you don't come out the same. You come out a little better.

The YMCA. It's for all of you.

**'One for all
and all
for one'***

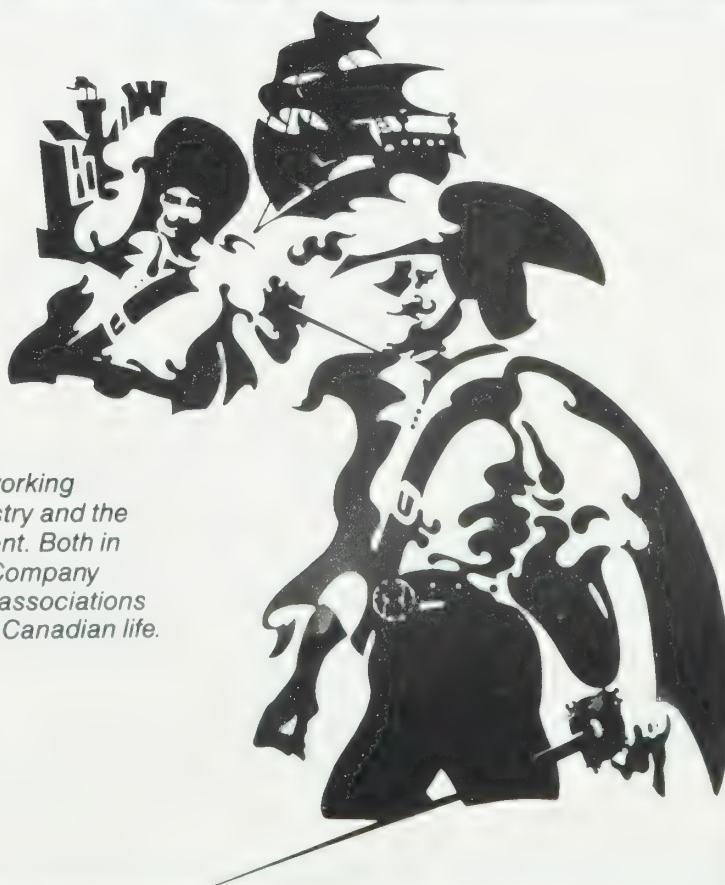

The scenario is a familiar one.
Individuals acting for the common good,
each benefitting individually.

Whether it's three, 300 or 3,000 people working
together, teamwork among business, industry and the
community fosters growth and advancement. Both in
the workplace and at Stelco — where our Company
and workforce deal closely with countless associations
and organizations to improve the quality of Canadian life.
